Explain any "yes" answers with specific information on the location of the problem/issue and a description of any repair efforts, including a description of the repair(s) and the date(s) the repair(s) were attempted, or attach a more detailed summary.

- (A) Are you aware of any existing or threatened legal action affecting the Property?
- (B) Do you know of any violations of federal, state, or local laws or regulations relating to this Property?
- (C) Are you aware of any public improvement, condominium, or homeowner association assessments against the Property that remain unpaid or of any violations of zoning, housing, building, safety, or fire ordinances that remain uncorrected?
- (D) Are you aware of any judgment, encumbrances, lien (for example, comaker or equity loan), or other debt against this Property that cannot be satisfied by the proceeds of this sale?
- (E) Are you aware of any reason, including a defect in title, that would prevent you from giving a warranty deed or conveying title to the Property?
- (F) Are you aware of any material defects to the Property, dwelling, or fixtures which are not disclosed elsewhere on this form?

A material defect is an issue/problem with the Property or any portion of it that would have significant adverse impact on the value of the residential real Property or that INVOLVES AN UNREASONABLE RISK TO PEOPLE ON THE LAND. The fact that a structural element, system, or subsystem is near, at, or beyond the normal useful life of such structural element, system, or subsystem is not by itself a material defect.
